### **Formation of Kalinga Sondhi International Forum (KSIF)**

Kalinga International Foundation Trust (KIF) and the Prof ML Sondhi Memorial Trust (MLST) are pleased to announce the conclusion of a Memorandum of Understanding (MoU) between them.

The MoU underlines the broad commonality of the two independent, non-profit think tanks and seeks to pool their individual resources and expertise to strengthen and expand their future activities.

KSIF seeks to serve the informed public by offering strategic choices for India against the backdrop of rapid changes in geo-politics and geo-economics. It also endeavors to promote closer ties between India and its partners across the world and especially in the Indo-Pacific region and in India's neighborhood,

KSIF will be happy to extend its support to all similar institutions and individuals who are making valuable contributions to these common objectives.
